

## EDUCATION

- Indian Institute of Information Technology, Lucknow** 2022 - present  
*Bachelor of Technology in Computer Science* CGPA: 8.12

## TECHNICAL SKILLS

- Languages/Frameworks:** C++, Java, C, HTML, CSS, JavaScript, Python, Reactjs, Nextjs, Node.js, TailwindCss.
- Tools/Platforms:** GIT, FireBase, GitHUB, Linux.
- Soft Skills:** Accountability, Communication skills, Time management, Willingness to learn and Collaborativeness.

## EXPERIENCE

- HacktoberFest** Oct 2023  
*Open Source Contributor* Hacktoberfest10
  - OpenSource Contribution:** During Hacktoberfest 10, I took part in the event with enthusiasm and successfully merged a total of 4+2 pull requests. It was an incredible experience contributing to various projects, and I'm proud to have exceeded the Hacktoberfest requirements and a tree was planted on my name by Hacktoberfest as they are event organizers.
- Equinox** Dec 2022 - July 2023  
*Corporate Relations* Annual Fest, IIITL
  - Volunteer:** I played a crucial role in the organization's success by serving as the Corporate Relations representative. In this capacity, I fostered meaningful partnerships and collaborations between Equinox and corporate entities.
  - Public Relations Executive:** Having initially contributed as a Corporate Relations volunteer. I have been promoted to the role of Public Relations Executive at Equinox. In my second year, I have transitioned into a position where I now spearhead public relations efforts for the organization.
